#### **AGL –first hand transferring success**

Gareth Bennett, Group Manager People & Culture, is a strong advocate of using interim managers as an effective solution for his organization.

*'The fact that you have somebody that can hit the ground running who has relevant external expertise and perspective that they can bring and apply straight away, and if you can join them with really good people with an internal perspective, then you have something really powerful'.*

**"Managerial talent of the highest calibre who can hit the ground running. And most importantly could be working in your company and making a significant difference"**

#### ***New Director turns up the heat in Queensland***

***David Jeffries, recently appointed as Director of Hamilton Rich in Queensland***

According to Mr. Bennett *'the other thing about an interim manager is that generally there is more of a transfer of knowledge, which is also non-threatening to the other employees in the team'*.

### **Chemeq Limited – specific expertise with a positive impact on team and culture**

Chemeq needed an Interim Manager with specific regulatory expertise from the Pharmaceutical Industry who could provide regulatory assistance and facilitate a streamlined transference of knowledge. Hamilton Rich was able to provide them with the ideal solution.

According to Bill McHenry, General Manager - Commercial, their allocated Interim Manager was able to provide them with the *'greatest amount of flexibility in managing work flow'*.

Significantly, the Interim Manager was able to contribute to a positive working environment for colleagues involved throughout the project.

For Chemeq, utilizing an Interim Manager *'has been an excellent experience'*. They *'have not only valued their input and quality skills, but there has been a good dynamic in the office'*.
